(the "Association")

Resolution Regarding Special Assessment to Fund Capital Reserves

P R E A M B L E

A. The Master Deed for Longview at Montville, a Condominium, as it may have been amended (collectively the "Master Deed") was originally recorded in the office of the Morris County Clerk on June 2, 1989, in Deed Book 3137, Page 29, et seq.

B. The Bylaws of Longview at Montville Association Inc., as the same may have been amended (collectively, the "Bylaws") were recorded as Exhibit "E" to the Master Deed.

C. Article IV, Section 5(c) of the Bylaws provides that the "Board of Trustees, shall have the right, during any calendar year, to levy a special assessment for the purpose of adding to the reserve fund account . . . without the requirement or need to acquire the consent of the members."

D. A capital reserve study was prepared for the Association by FWH Associates that sets forth the amount of capital reserves required to be held by the Association to cover the cost of future capital repairs and replacements.

E. The Board is further aware that certain capital projects will be required to be undertaken in the near future in connection with siding, roofing, chimney caps, driveways and certain road and road-related improvements required by the Township of Montville in connection with the Municipal Services Agreement between the Association and the Township.

F. In order to maintain a balance in the capital reserve account to meet the minimum five percent (5%) threshold funding requirements recommended by FWH Associates after the anticipated near-term capital work is completed, the Board has determined that the Association must impose a special assessment in the amount of \$1,200,000.00.

NOW, THEREFORE, BE IT RESOLVED on this 11th day of June, 2012, as follows:

1. Adoption of Special Assessment. The Board hereby adopts a special assessment in the amount of \$1,200,000.00, which sum, as it is received from the payment of special assessment installments as hereafter set forth, shall be deposited in the Association's capital reserve fund.

2. Allocation of Special Assessment. The special assessment shall be allocated to owners according to their undivided percentage interest in the common elements, which is the same method by which the annual common expense assessment is allocated to each unit.

3. Payment of Special Assessment. The special assessment shall be paid by each owner in twelve (12) equal monthly installments with the first installment coming due on August 1, 2012, and a like amount being due on the first day of each month for next succeeding eleven (11) months.

4. Enforcement. In the event any owner shall fail to pay the special assessment installments when due, the same late fees and enforcement procedures for the collection of delinquent assessments shall be implemented.

5. Notice. The Association's managing agent is authorized and directed to prepare correspondence, in appropriate form and substance, and thereafter circulate same, along with a copy of this Resolution, to all Unit Owners.

This Resolution shall be effective as of the 11th day of June, 2012.
